

Future Battery Forum  
Berlin + Online

The FBF 2023 was co-financed by the European Regional Development Fund (ERDF). Funded as part of the Union's response to the COVID-19 pandemic.

### Take part!

- ▶ 700+ attendees on-site
- ▶ 2,500+ attendees online
- ▶ 70+ speakers
- ▶ 90+ sponsors&exhibitors

## Innovation Stage

The Innovation Stage is located directly in the exhibition and will be hosted on both conference days.

You can look forward to:

### Tech Talks

with speakers from:

### PANEL DISCUSSION

#### European Turnkey Solutions

with speakers from:

## Benefit from the networking opportunities

### Workshops

Discuss and work in teams with other professionals and selected experts. Gain new insights (only available for All Access Ticket holders).

### Excursion

Complete your visit with an excursion to an industry site in Berlin (only available for All Access Ticket holders).

### Evening reception

Foster your networks and make new contacts over nice food and drinks, on the first day at the evening reception.

## Your ticket to exclusive C-level networking with battery experts

First come, first serve: Secure one of the exclusive workshop seats or take part in the excursion with your all-access ticket.
